- **GLOBAL COMMUNITY** (e.g., sharing global resources, respecting cultural diversity).
- **SOCIAL JUSTICE** (e.g., promoting human rights, ending discrimination and prejudice, fostering equal access to economic opportunity).
- **ECOLOGY** (making the connection between the environment and peacemaking- e.g., living more simply, improving air and water quality, working for conservation of resources, protecting wilderness and wildlife, seeking environmentally desirable waste management).
- **POPULATION** (making the connection between population and peacemaking- e.g., respecting human life and diversity while finding ways to manage growth so the human population reaches a sustainable level).
