Message Received: Hearing God's Call

July 12, 19, 26 & August 2, 9:15-10:50

Ages 3 thru rising 6th grade

God has a message for you! Samuel heard it in the middle of the night. The disciples heard it when they were hard at work. We'll explore these stories and more during this summer's VBS. And we'll discover that God continues to call all kinds of people, including us!

Our mornings together will include worship, music, drama, art, conversation and games. Children may attend one or one all four sessions. Please let us know which dates your child would like to join us—and, for adults, when you're able to volunteer.
