

VBS REGISTRATION FORM WATER ALL AROUND THE WORLD

Living Waters for the World

July 10, 17, 24, 31

10:00-10:50am

Ages 3 thru rising 6th grade

We will be learning about ways in which access to clean water (or lack of access!) affects the lives of children in many parts of the world. We'll also learn about the ministry of Living Waters for the World, the water purification project that is providing safe water for many people in places where the water supplies are contaminated. Each session, we will look at a Bible story that tells of God's use of water, and hear stories of children in other countries who struggle to have clean water each day.

Our mornings together will include worship, music, drama, art, conversation and games. Children may attend one or all four sessions. Please let us know which dates your child would like to join us—and, for adults, if you're able to volunteer. Please return this form to Anitra Grove. agrove@unitedchurch.org.
