

# VBS REGISTRATION FORM

*"Peace be with you!"*

July 9, 16, 23, 30th

10:00am-11:00am

Ages 3 thru rising 6<sup>th</sup> grade

God created our lives and our hearts for peace.  
Please join us for VBS to learn some fun and  
creative ways to access peace from within so that  
it can be shared with the world around us!

We will learn fun ways to calm our minds and bodies and to be present and intentional with each other so that we can receive one of God's greatest blessings... peace!

Our mornings together will include Bible lessons, gratitude prayers, creative art (SLIME, peace poles, gratitude bracelets, and more), time with nature, music, and fun activities to help children access their inner peace (yoga, meditation, body prayers, etc.). Children may attend one or one all four sessions. Please let us know which dates your child would like to join us—and, for adults, when you're able to volunteer.
