

## Joyner to be featured speaker at "Food and our Faith"

SAVE THE DATE! FOOD AND OUR FAITH  
FEBRUARY 23 @ 9:30 AM - 12:00 PM Free

Join the Creation Justice Network and Partners in Health and Wholeness / the NC Council of Churches for "Food and Our Faith," Saturday, February 23rd from 9:30 till noon, at Melfield UCC, Haw River. Nationally acclaimed food justice activist Rev. Richard Joyner of the Conetoe N.C. Family Life Center will be our keynote speaker. Following Joyner's presentation, there will be a panel discussion drawing upon the wisdom and experience of North Carolina food justice, health, and environmental advocates. Come learn about the connections between the health of our bodies and the health of the earth; about food justice; about community and vocation. Afterward we will hold a People's Feast! While we will be providing the basics, and there will be no charge, we ask those who are attending to bring a dish representing a favorite heirloom family or church recipe to share.

Although this event is free, you must register. [Click here to RSVP](#). For more information on Rev. Joyner and his work, [click here](#).
